

Arise

to Worship, Pray, Plough, Sow, Harvest & Rebuild!

Arise is an exciting evangelism campaign for that purpose. Building on from the successful Arise every year since 2015. We invite you to Arise 2018!

The Lord Jesus asked His disciples to pray for evangelistic labourers to be raised up. Furthermore, He sent them out to do the evangelistic work which they had been instructed to pray for
(*Matthew 9:37-38; 10:1-42*)

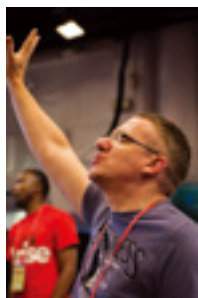

Britain Needs Christ!

In Britain today there is an urgent need to mobilise more evangelistic labourers to sow the seed of the gospel and to gather in the spiritual harvest.

We would like to distribute many gospel tracts, Christian books and Bibles, and also to share the gospel with many people in the UK face to face on the streets, in the parks and at their doorsteps.

Arise to sow the seed of the gospel, trusting that the Word of God we sow would never return empty! Please contact us to join this campaign to invite an Arise team to your church.

A team of 8-10 people will be sent to a hosting church to support the evangelistic initiatives of that church. The leaders of the hosting churches would plan their outreach in their community. The **Arise** teams would provide them with willing and proactive support. So together with the members of the hosting churches the **Arise** teams will sow the seed of the gospel and also get involved in the spiritual harvest. **The teams will hand over the results of outreach to the hosting churches for their follow-up.**
