Amnos Church Planting School (ACPS) Resumed

After a break of a year due to our Five-Year Strategic Review, ACPS resumed in October 2017. All the lecturers we need have returned to teach at ACPS, and this is one of the greatest blessings from the Lord. They not only pass on their expertise but also their heart for God and passion for the gospel. After an initial orientation of two days, we covered over the year the following modules: Church Planting Essentials, Hermeneutics, Preaching, Evangelism, Leadership, Apologetics, Spirituality, Prayer, UK Culture, Mission, UK Church Trend, Discipleship, Small Groups, Revivals, Bi-vocational Ministry, Other Religions, Pastoral Theology, Healthy Church, Matthew, Acts, Romans, Pastoral Epistles, Habakkuk. We also have a Quite Day and a Tutorial Session each term. Our curriculum is designed to be balanced academically, practically and spiritually.

Reunion of the Graduates

Some of the graduates and students gathered for a Reunion on Saturday 12 May. We had a great time of lunch, fellowship and worship. It was such a blessing to listen to their updates of blessings and challenges, including news from some who could not come. It was encouraging to see them pressing on to spread the gospel and to serve their churches and communities. They

testified that their training at Amnos was a vital integral foundation for their ministries, and how they appreciated the lecturers and the staff. We finished with a sincere time of praying for each other, for Amnos and for the UK.

Amnos Church Planting School
Committed to Equipping Church Planters in Europe

We are conducting the fourth Arise evangelistic campaign from 25 June to 5 July.

Training Camp:

This will start with practical evangelism training: 25-28 June. We are especially

grateful to the speakers and trainers, who are returning to equip the delegates: Roy Crowne (HOPE), Mark Ritchie (73rd Trust), Mickey Walker (OM), Gavin Calver (EA), Gareth Sherwood, Julian Wolton (OM) and Daniel Chae (Amnos). Celia Apeageyi-Collins also joins us this year.

local churches enabling them to reach their communities and to bring some of them to their churches.

We expect that about 120 delegates will join the campaign, and it is not too late to register. Some delegates are returning for the third year.

“10 out of 10!”

“The best ten days of my life!”, “A turning point in my Christian life”, “Truly life changing!”, “I fully felt that God is alive and active”, “Challenging and inspirational! Thoroughly

enjoyed meeting new people and seeing God at work”. These are some of the comments expressed by the delegates last year. The Arise campaign is more than an evangelistic outreach. Please pray that all of this year’s delegates would experience God during their endeavor to reach people with the gospel of Jesus Christ.

Outreach with the Hosting Churches

After the intense training, the delegates, in small groups of 9-10, will go to 12 hosting churches for outreach (29 June–5 July). Each team will support the hosting churches by carrying out outreach in their communities, together with their church members. The bubble and balloon artist

from Korea and cellist from the USA will hold larger meetings for children and parents in the churches, and also in the streets.

We give thanks to God that ten out of the eleven of last year’s churches are hosting Arise teams again this year. In fact, four churches have done so for the last 3-4 years. Please pray that we would be able to provide the best support for these
