

Thanking God for Visiting Lecturers

"I am very grateful for your wonderful hospitality and the students' sincere response to my teaching.

I felt as if I was speaking in front of five thousand people. Amnos Church Planting School is the timely ministry for the Church of Christ, not only in the UK but for other needy parts of the world."

• Dr Won-Sang Lee surrounded by the class

This encouraging comment is from Rev Dr Won-Sang Lee, who recently came from Virginia, USA to teach on Leadership and Character Formation. We thank God for the relevant and passionate teachings of the visiting lecturers. During this academic year we have hosted 21 lecturers, including 6 new ones: 9 from abroad and 12 from the UK.

• Rev Doug Klein came twice from the USA in 2012-2013 to teach on "Church Planting Essentials" and "Christ-Centred Preaching"

Almost all expressed their willingness to come back to teach. In fact, 14 lecturers have returned to teach from last year. We cannot take it for granted that these experienced and busy academic practitioners come to train a handful of students, covering their own airfares. Such commitment on top of their expertise is a challenge and a blessing to our students. We take their willing partnership as a sign that the Lord is pleased with the vision of our School.

Kalbi Massey, one of our students said this week, "I can't wait to get started in pastoral ministry so as to

put into practice what I have learned in the last two terms." For the last two terms we have continued door-to-door visitations on Saturdays, in the Hutton area of Brentwood, to help an Amnos graduate, Shelter Seanehia, with his prospective church plant. All students and staff were reinforced in evangelism training by attending the Passion Conference, run by the Avanti Ministries on 16th February.

More New Students to Recruit

Our students, staff and lecturers feel that our course is too good to keep to a small number of students.

What is most crucial is to recruit more students for the next academic year. Please pray that the Lord would bring to Amnos those whom He has called to church planting and pastoral ministry. Pray that our various endeavours to promote Amnos, including the advert on Premier Radio, would get a good response. Please contact us if you need copies of our **new brochure**. We believe that *you* can be the best publicity for us, so please encourage some of your friends to consider studying at Amnos.

• Praying for more labourers to be raised up as Jesus asked us to do. Early morning prayer is an important part of School life.

In this regard our coming **Open Day** is important. It will be on **Saturday 4th May between 3-6pm** at the School. We would be delighted to welcome you and anyone whom you think would be interested in being a friend, student or prayer partner of Amnos Ministries. It will be an informative afternoon about the spiritual need of the nation and continent as well as the vision and training of the School. Our students and staff will be thrilled to talk with visitors and answer their enquiries.

Inspiration 2013

Amnos will host a 3-night **revival meeting 3-5 May 2013** at Trinity Church Brentwood from 7:30pm. The guest speaker, **Ps Dr Philip Lyn**, is an inspiring international preacher, and is Senior Pastor of Skyline Church in Malaysia.

His topics are:

“**Beloved!**: God’s Unconditional Grace”

“**Freedom!**: The Principles for God’s Kind of faith”

“**Life!**: The Life We Are Called to Live”.

Please pray that many believers in Brentwood and beyond would be inspired to walk closely with God and to serve others with the love and gospel of Christ. Pray also that many non-believers would find new life in Christ through these meetings. Ask the Lord for Dr Philip to be anointed with the Holy Spirit for this important conference.

Soul-2-Soul 2013 (Amnos Summer Campaign)

The Lord Jesus asked His disciples to pray for evangelistic labourers to be raised up (Matthew 9:37-38), and then sent them out to do the work they had been instructed to pray for (Matthew 10:1-42). In Britain today there is an urgent need to send more labourers to the spiritual harvest field.

Soul-2-Soul is a two-week evangelism campaign.

The first week (9-13 July) is for evangelistic training at Amnos Church Planting School, and the second week (13-21 July) is practical outreach in small groups of 5-7 to support the outreach of hosting churches in any part of England and Wales.

The outreach is designed to support the hosting churches by doing active evangelism together with their church members. In so doing we would be able to distribute many gospel tracts, Christian books and Bibles, and also to share the gospel with many people face to face. Pray that many people would join Soul-2-Soul. **Please contact us to join this event or to invite a team to your church.**

- Fun on a snowy day on campus

Intercede Prayer Meeting

By God’s grace, Amnos has hosted Intercede for the last fourteen months. This is a monthly prayer meeting for our nation and our town, with some 50 people from different churches in Brentwood coming together to pray every month. Brentwood Baptist Church kindly offered us their church venue to hold the Intercede prayer meetings when Sawyers Church became no longer available due to their building plan. We are thankful to both churches. We would like to encourage you to pray for the UK, and you can download the Ten Prayer Points for Our Nation on our website.

For further information on our various events, visit our updated website at www.amnosministries.org.

Thank you for your prayers and financial support for our school. We pray for the Lord’s blessing on you, your family and your ministries.
