

The INTERCEDE celebrated its second anniversary on Friday 21st February at Brentwood Baptist Church. About 120 worshippers gathered from many different churches for this special event, some travelling from London and much further afield.

Our guest speaker was Rev Dr Jonathan Oloyede, General Secretary of the National Day of Prayer and organiser of the national prayer gathering at Wembley Stadium in 2013. He ignited the spirit of prayer with his message and prayers.

It was awesome to hear and see such a large group of Christians, singing and praying with vigour and sincerity; interceding for the salvation of their loved ones and pleading for God's mercy to heal our barren and needy land.

with know-how and materials for them to start something like INTERCEDE in their localities.

We are sure that many have caught the fire of prayer, and will spread it to pray for our nation and to strengthen the prayer life of individuals and local churches. Pray with us that many more prayer groups will be formed to pray for the UK and Europe.

Our Students and Lecturers

This year's students have settled well and bonded together. The staff and students enjoyed a Christmas lunch with Trinity Church on the last day of our Autumn term. We anticipate an equally exciting 2014.

- Rev Paul Chung teaching at Amnos for the first time. His subject was 'Raising Leaders through Discipleship Ministry'

21 Korean missionaries joined the Intercede prayer meeting after having an Intercede Seminar in the afternoon with Jonathan Oloyede and Daniel Chae. The Seminar was designed to support Korean missionaries

- Mickey Walker took the Amnos students onto the streets of Brentwood as part of his teaching on Evangelistic Methods

All lecturers have now been arranged until the end of this academic year! We are so thankful to the Lord for His provision. Most of our visiting lecturers are returning to teach at Amnos. We will continue to pray for the Lord's blessing on them as they sacrificially join the vision of Amnos by passionately equipping our students.

Saturday Outreach at Gants Hill

During the last two terms we carried out door-to-door visitations on Saturdays to support the United Reformed Church in Gants Hill. Some people and families have begun to visit for the Sunday morning Services. Please pray that the power of the gospel would be manifested and that they would see the church grow in strength.

A total of 73 bags of garden rubbish were collected when some of the students and staff of Amnos worked three Saturday mornings and transformed the gardens of the church in Gants Hill.

8-21 July 2014. Join this exciting and intensive evangelistic training and outreach campaign. Why don't you invite an Arise team to your church to work for your church? For details and registration, visit our website, www.amosministries.org/arise.

You are warmly invited to...

2014

FRIDAY 14 & SATURDAY 15 MARCH 2014
7.30 - 9.30 PM
TRINITY CHURCH BRENTWOOD

We would like to express our thanks to **Rev Joo-Kyung and Cheon-Geun Kim** who worked at Amnos from the beginning. We agreed to release them as they wished to return to GMS as Missionaries-at-large. **Rev Kimil Park** joined Amnos in January with his wife **Myung** as Ministry Coordinator. Kimil has been Senior Pastor of Leicester International Church for many years.

Thank you for your partnership with the ministries of Amnos. Your prayers and financial support are invaluable for this work. Thank you for your prayers for the UK and Europe. We believe that the re-evangelisation of Europe is the most urgent missionary task in the coming years.
