

One of the recent Intercede prayer meetings for the UK

40 Months of Intercede Prayers

It was something special to reach the 40th month of the **Intercede Prayer Meeting** in May 2015. We thank the Lord for sustaining us over this period in coming together to pray for the UK on a monthly basis. Although we have prayed for our town and various specific situations, our main focus has always been praying for the UK. From our first gathering in February 2012 with 58 people from 9 churches, the number of attendees has varied from 30 to 120.

We are grateful that there has always been a sense of the Lord's presence. We are also grateful to the Lord for keeping us going with consistency; and we are thankful to those who have joined with us at **Intercede**. The **TEN Prayer Points for the UK** we use at these meetings is attached. Please join with us in prayer using the points. Perhaps you might consider starting an intercede prayer meeting in your area or in your church.

The First Arise Campaign

We are looking forward to launching a new church based outreach venture called **Arise!** This two week programme of practical evangelism training and outreach will take place July 7-20. Delegates are coming from Australia, Korea, the USA, and of course, the UK. Though the final number is still to be confirmed we are expecting some 70 people to be involved. After 5 days of intensive evangelism training at Amnos, the participants will be sent to a number of hosting

churches in small groups of 6-7. They will be looking to support these churches by providing

evangelistic manpower over 9 days. It is hoped the **Arise** teams will be able to share the gospel widely and efficiently in personal conversations, knocking on doors and distributing New Testaments, Gospel tracts, and the multi-language "Jesus" film on DVDs. The programme is designed to develop a momentum in local churches to continue outreach after the **Arise** teams have left.

Reunion of the Amnos Family

It was such a blessing to get together with some of

the Amnos graduates at our first **Reunion Day** on May 9. Former and current students, staff

and friends of Amnos, plus 4 children, gathered for fellowship, food and fun. The testimonies from the graduates of the joys and challenges in ministry since they left Amnos were amazing. We are grateful to the Lord to see that all are still passionate for God and for the lost, and are working hard to bring this nation back to God.

Class of 2015

We praise the Lord for the Class of 2015. The lectures finish on June 9 with a time of worship, reflection on

the year, and a fellowship lunch. During the year we have had 20 fantastic lecturers from 10 countries, covering 24 practical modules on Biblical studies, evangelism and pastoral ministry. The 11 students who are finishing this year will be involved in the **Arise** campaign, and afterwards in the internship programme at different local churches for 4-5 weeks, before graduating on September 26. Pray with us that the Lord will open doors for their future ministries in planting new churches or revitalising existing ones.

Recruiting Students for Next Year

Our eyes are now focusing on recruiting for the next academic year. Adverts for the School have gone out on Premier Radio, and we had a stand at the Christian Resources Exhibition held at the London EXCEL Centre in May. We have held 2 Open Days at Amnos, one in March and the other in June, to introduce Amnos Church

Planting School to those who have shown interest in possibly

joining the School from the adverts and the exhibition. Still, the best publicity is by personal recommendation. Pray that we can recruit the right people whom God is calling to strengthen His church in the UK and Europe; and that we would serve them well to help them fulfil God's purpose in their lives.

Visit our website, www.amnosministries.org for more details of the School, Intercede, Arise, recruiting and graduation & Induction.

Thank you for your prayers and your partnership with us. Your prayers and financial support for Amnos are invaluable for this work.

Grace and peace from our God to you all.

Love from the Amnos Family
